COUNTRY STUDY (grades 3-5)

"People Like Me" 2006 presents dances from the Plains Indians of North America and the countries of Liberia, Mexico, Afghanistan and China. Pick one of these locations for your investigation.

I will study _____.

Before the show:

Get a copy of a blank world map. Locate the country you are studying. Label and Shade it in. Label and shade the bordering countries (optional).

Find out three facts about this country. For example, what is the climate like? Where do most of the people live? Which religions are practiced? You may visit www.worldartswest.org/plm for country information as well as using other internet searches, the encyclopedia, the atlas, books or maps. Attach a separate sheet if you want to include more information on each fact.

- 1.
- 2.
- 3.

Using vivid adjectives, imagine what a dance from this country might be like. Why?

People like me

COUNTRY STUDY (continued)

After the show: How was what you saw in the program similar or different to what you had imagined? Which adjectives would you use now to describe the dance from the country you studied?
